Neonatal death rate and birth rate vs year

The trends of Neonat Mortal Rate and Birth Rate (copy) for Year Year. Color shows details about Neonat Mortal Rate and Birth Rate (copy). The data is filtered on Country and Action (Country). The Country filter keeps 211 of 48 members. The Action (Country) filter keeps 1 member.
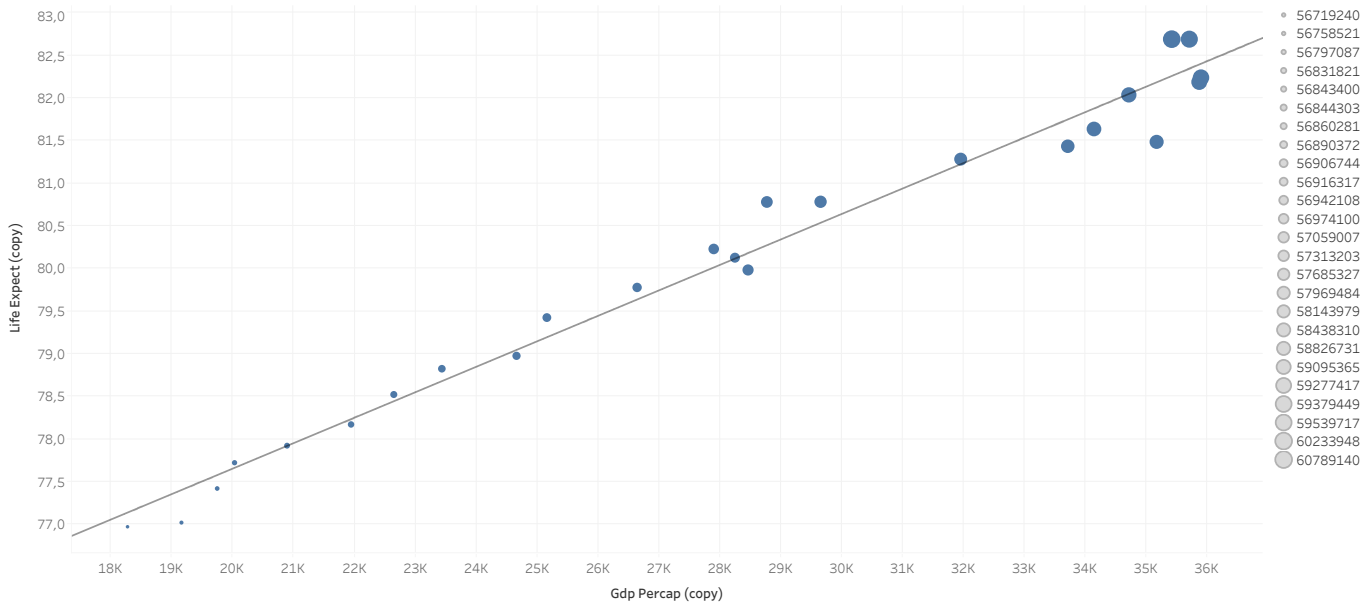

Neonatal death rate and birth rate vs year

The trends of Neonat Mortal Rate and Birth Rate (copy) for Year Year. Color shows details about Neonat Mortal Rate and Birth Rate (copy). The data is filtered on Country and Action (Country). The Country filter keeps 211 of 48 members. The Action (Country) filter keeps 1 member.
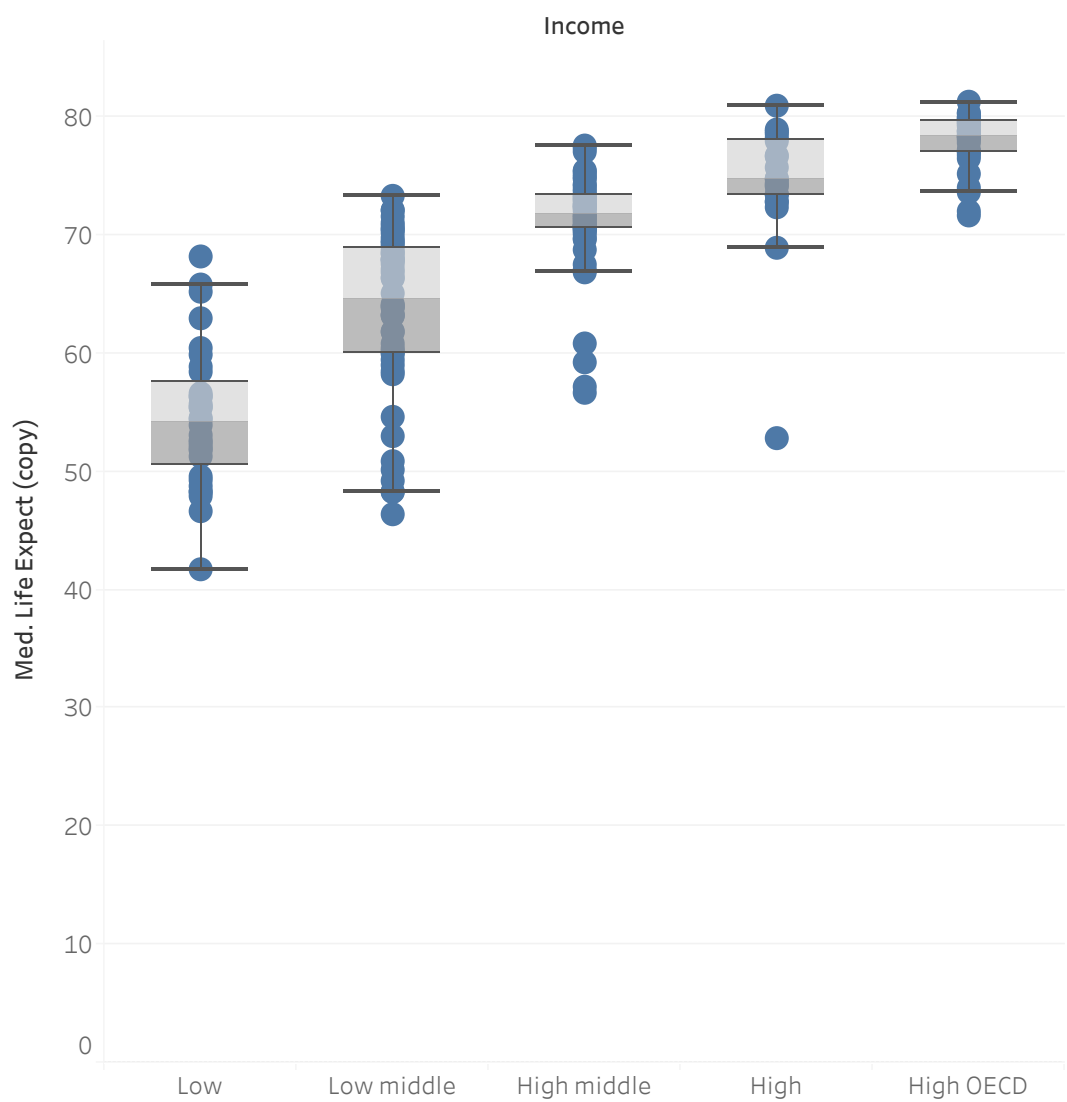

GDP vs life expectancy

Size is population, points are different years

Gdp Percap (copy) vs. Life Expect (copy). Size shows details about Population. Details are shown for Year Year. The data is filtered on Country and Action (Country). The Country filter keeps 211 of 48 members. The Action (Country) filter keeps 1 member. The view is filtered on Gdp Percap (copy), which keeps non-Null values only.
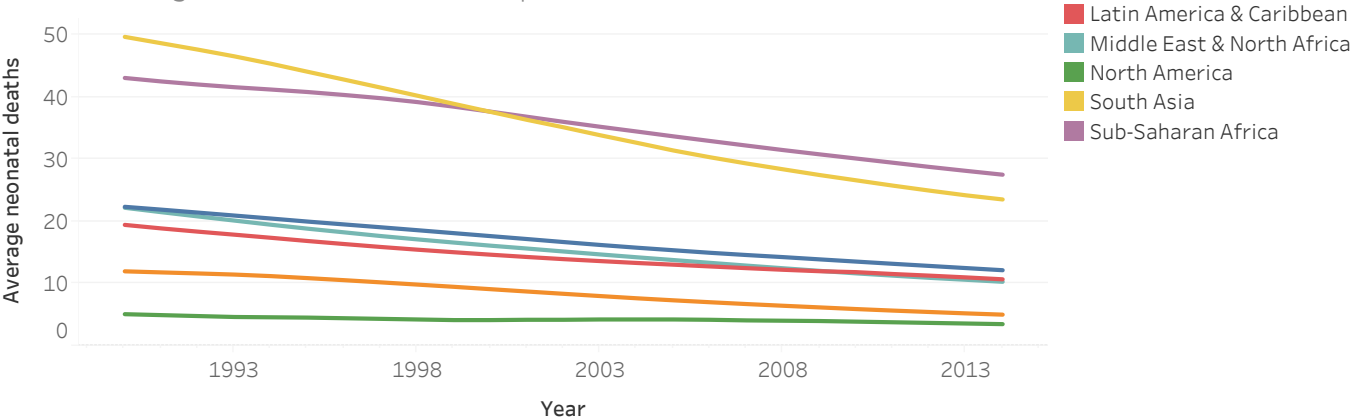

Life expectancy per income group

Higher income indicates higher life expectancy and lower dispersion

Average of Life Expect (copy) for each Income. Details are shown for Country. The data is filtered on sum of Gdp Percap (copy) and sum of Life Expect (copy). The sum of Gdp Percap (copy) filter keeps non-Null values only. The sum of Life Expect (copy) filter keeps non-Null values only. The view is filtered on Income, which excludes Not classified and Null.
